

## Fleet Series Drill-Free Light Bar Cab Mount for Ford® F-150 (2015+)

**Buyers Part Number:** 8895551

**Buyers Products Fleet Series Drill-Free Light Bar Cab Mount eliminates the need to drill mounting holes in cab roof.**

- Eliminates the need to drill into the cab roof by installing in the vehicle's pre-existing OEM third brake light location.
- Works with Ford® F-150 (2015+) and Ford® F-250-550 (2017+).
- Aerodynamic design with 7/8 in. low-profile mounting surface.
- One piece construction makes for a quick and easy install.
- Sturdy mount has a 30 lb capacity.
- 22 in. long, 10 in. deep mounting platform is pre-punched to accommodate a wide range of mini-light bars and beacons.
- Light-weight, 3/16 in. aluminum construction with a black powder-coated finish.
